

Energy @Home Trade Support

0800 038 5688

tradesupport@energyathome.org.uk

Bath & North East Somerset Council are offering subsidies for local trades businesses to become Green Deal accredited and to attend sustainable construction courses as part of their Energy at Home scheme. The Energy at Home scheme is designed to help local residents carry out energy saving improvements to their homes.

The following courses are discounted through the project. For more information and support on Green Deal and sustainable construction training contact the Energy at Home Trade Support team on the above contact details.

Green Deal mentoring and Certification from Stroma

Green Deal certification is required to deliver work through the national Green Deal scheme as well as on the local Energy at Home scheme.

- > Green Deal Certification (1 group of measures e.g. insulation) normal price £696, **Energy at Home price £348**
- > Green Deal Certification, QMS system and mentoring normal price £1464, **Energy at Home price £702**
