

LONDON ROAD LOCAL AREA

How can walking and cycling be improved in your area

As part of the Cycling Ambitions Fund Sustrans is working with Bath and North East Somerset Council (BANES) along with the community to consider how walking and cycling within the London Road area could be improved in a way that reflects the needs of those living and working here.

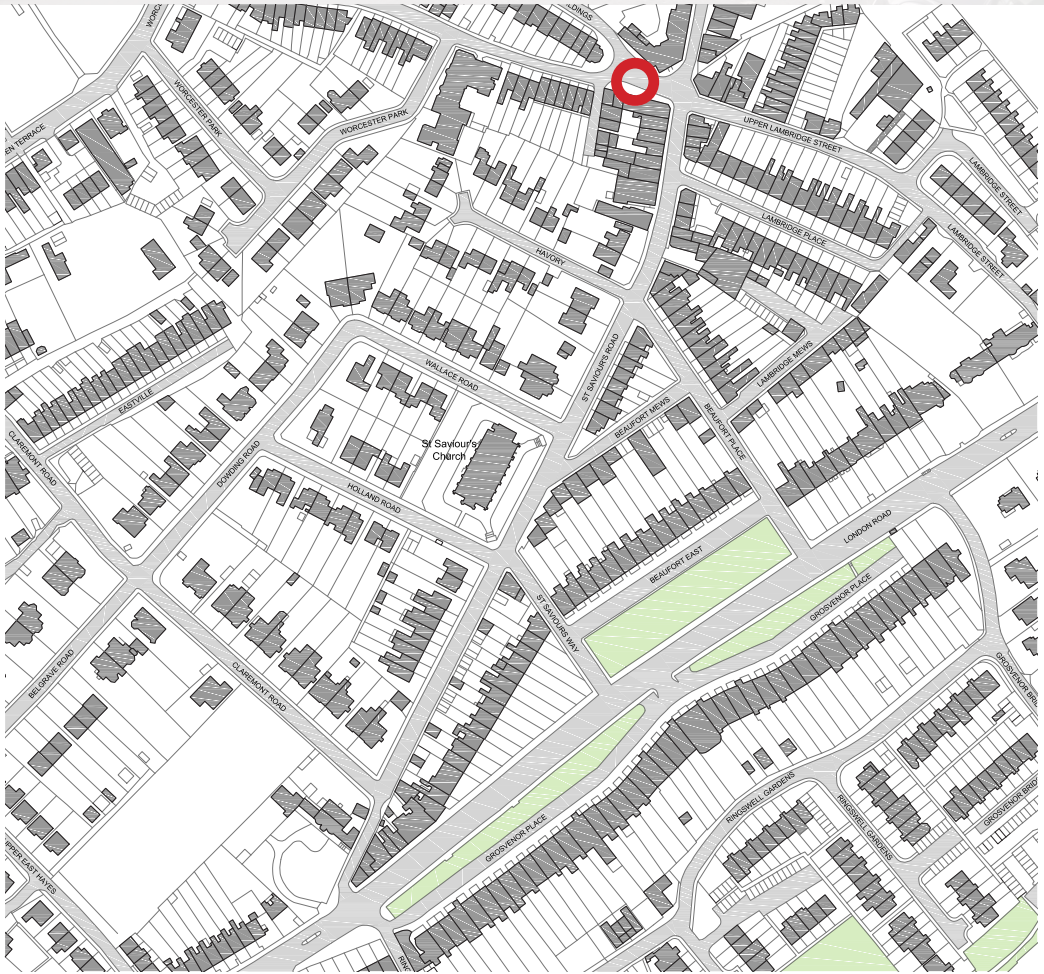

Give us your opinion

- 1** *Log onto our Interactive map online*
Contribute and add your comments
www.sustrans.org.uk/londonroad *(Going live on 20th Jan 2017)*
- 2** *Come along to the on-street event*
Pinpoint areas for improvement on large scale maps to help us understand the current issues *(Details of event overleaf)*

Once this initial stage of engagement is complete we will summarise what you have told us, highlighting what's good and not so good about cycling and walking in your area. This will help us understand what the main issues are.

Provide us with your contact details at the event or on the online map if you would like to be kept informed

Come and see us on St Saviours Road/ Larkhall Square

When: *Tuesday 31st January between 3pm and 6pm*

Why: *Come and tell us what is stopping you from walking or cycling in this area, tell us which routes you currently use and help us to identify how we can improve your experience.*
